Thanksgiving/Christmas Meal

1. Create your Menu in Word
 2. Spreadsheet to calculate the cost of a traditional Thanksgiving dinner for 12 people: Turkey, Mashed Potatoes and Gravy, Green Beans or Carrots, Yams or Sweet Potatoes, Pumpkin Pie and anything else you might traditionally serve like Stuffing, Cranberry Sauce or Rolls or anything else always on your dinner table.
- How much should you buy of each item? You'll need to do some research to find that out! You may find that different sources disagree so read more than one and decide based on what you have read. Let's go Shopping (Learn to read Weekly Ad flyers and Be a good steward of God's Money!)
